CONFERENCE CABINETS

These cabinets include a durable magnetic on steel whiteboard, a pull down projection screen with Da-Lite's Matte White surface, heavy duty spring clamps on each door for prepared material or paper pads, marker tray and accessory kit with paper pad, 4 dry erase markers and eraser, whiteboard cleaner and a telescopic pointer.

- Capinets are constructed of cabinet-grade plywood and hardwood for strength and rigidity.
- Premium full-length piano hinges make opening doors easy and eliminates door sag.
- Magnetic door closures keep doors firmly closed while not in use while fingertip cutouts make door easy to open.

PROVIDENCE

- Clean, modern design with 1/4" reveals that accent the basic lines of the cabinet.
